

Signposts of Hope

During the Season of Easter our worship will focus on the hope that comes through the resurrection of Christ. Our hope is that God keeps God's promises. That someday God will rescue the entire cosmos from the bondage of sin and death. But until that day comes we must consider our part to play in this amazing story of God's redeeming love and how we remain hopeful until our faith becomes sight.

Anglican Bishop and theologian N.T. Wright explains that God reveals God's plan to us in what he calls "signposts of hope." These signposts are all around us and point us back to Christ's resurrection while pointing us forward toward the future God has planned for us. These signposts are: Justice, Love, Beauty, Spirituality, Freedom, Truth and Power. Beginning on May 4th, each Sunday we will focus on a different signpost.

- May 4 Justice
- May 11 Love
- May 18 Beauty
Guest Preacher - *Brent Livingood*
- May 25 Spirituality
- June 1 Freedom
- June 8 Power
- June 15 Truth - *Worship at the Greenspace - followed by a Father's Day cookout and fun*
